INTERNATIONAL MEDICAL GROUP

Why Consider Travel Insurance?

Traveling abroad can be an exciting experience. But what would happen if you or one of your family members became ill or injured while away from home? International travel can quickly turn frightening if you're not prepared for a medical emergency.

Most travelers assume they will be covered by their standard medical plan. The truth is, while traditional plans may offer adequate domestic coverage, they are not designed for international travel. Without even realizing it, you may be putting your health - and that of your family - at risk.

You have enough to worry about when you're traveling. Don't let your medical coverage be an uncertainty. International Medical Group® (IMG®) has developed two Patriot Travel Medical Insurance® plans to provide you and your family Coverage Without Boundaries® so you can spend more time enjoying your international experience, and less time worrying about your medical security.

Why Patriot Travel?

The two Patriot® travel plans offer a complete package of international benefits available 24 hours a day. **Patriot International**® provides coverage for U.S. citizens traveling outside the U.S. with coverage for brief returns to the U.S., while **Patriot America**® provides coverage for non-U.S. citizens traveling outside their home country. Both plans are available for a minimum of 10 days up to a maximum of two years.

Additionally, the plans offer excellent benefits and services to meet your global needs. You have access to international, multilingual customer service centers, claims administrators who process claims from all over the world, handling virtually every language and currency, and 24 hour access to highly qualified coordinators of emergency medical services and international treatment. You can also choose from a wide range of deductibles, several Maximum Limits, and you have access to more than 17,000 providers through our International Provider AccessSM (IPA) when seeking treatment outside the U.S. You can also reduce your out-of-pocket costs when seeking treatment in the U.S. by locating providers through the independent Preferred Provider Organization.

A Unique, Full-Service Approach

At IMG, we know that the reasons to travel abroad are many and varied - that's why our services are designed to provide you with the security you need no matter where you are. Our goal is to make the medical process smooth and efficient. By providing global products and services to vacationers, those working or living abroad for short or extended periods, people traveling frequently between countries, and those who maintain multiple countries of residence, IMG is the single resource for all your international travel needs.

How we service and support your needs is what sets us apart. Since 1990, we've served more than a million people around the globe - always focused on the specific needs of each individual. We've set the benchmark for industry service levels by integrating independent credentialing services with in-house, fully owned and operated service divisions. At IMG, we're with you, wherever you go - bringing support for all your insurance needs around the globe - providing you Global Peace of Mind®.

ELIGIBILITY

The following conditions apply to all persons applying for and/or enrolling in Patriot Travel Medical Insurance.

- Patriot Travel Medical Insurance is travel insurance for U.S. citizens traveling outside the United States with coverage for brief returns to the U.S., and for non-U.S. citizens traveling outside their home country.
- For those under 65 years of age and visiting the U.S., your initial Period of Coverage must begin within six months of arrival in the U.S. For those 65 years of age and older, it must begin within 30 days of arrival. These requirements will be waived with proof of previous valid international travel insurance. Prior U.S. domestic health care coverage does not meet this eligibility requirement. Please provide the name of your international insurance carrier on the Application Form. If you are not in the U.S. at the time of application, please indicate your expected date of arrival on your Application Form.

RENEWAL OF COVERAGE

If your Patriot plan is purchased for a minimum of three months, coverage may be renewed (unless there is a break in coverage) for a total of up to two years. Renewals are available in whole month or daily increments and may be completed online or by using a paper application, however, renewals of less

than one month are available only online. For each renewal of less than one month completed online, you will be charged an additional \$5 processing fee. Each insured person must only satisfy one deductible and coinsurance within each 12 month coverage period. *Please note: Renewal rates may differ from initial rates.*

QUALITY GUARANTEE

Your satisfaction is very important to IMG. If you are not pleased with this product for any reason, you may submit a written request, prior to your effective date, for cancellation and refund of your premium. If you do not have any claims filed with IMG, you may cancel your plan after your effective date, however, the following conditions will apply:

- 1) You will be required to pay a \$50 cancellation fee and
- 2) only full month premiums will be considered for refunds (e.g., if you choose to cancel your coverage two months and two weeks prior to the date your coverage ends, IMG will only consider the two full months for a refund). If you have filed claims, your premium is non-refundable.

ENROLLMENT PROCESS & APPLICATION FORM

You should read the following important information prior to completing the Application Form.

HOW TO ENROLL

Before you begin your travel, simply fill out the Application Form and calculate the premium for the time period you and/or your family will be traveling. Once you have completed the Application Form, return it to your insurance agent or broker, and/or mail it to IMG.

You, your spouse and unmarried dependent children (over 14 days and under 18 years of age) listed on the Application Form and for whom premiums have been paid will be covered from the **latest** of the following dates:

- 1) The date IMG receives your completed Application Form and the appropriate premium;
- 2) the date you depart from your home country; or
- 3) the date requested on your Application Form.

Patriot Travel Medical Insurance coverage ends on the **earliest** of the following dates:

- 1) The end of the period for which premium has been paid;
- 2) the date requested on your Application Form; or
- 3) the date you return to your home country (however, see Home Country Coverage on page 12).

ENROLLMENT PROCESSING & FULFILLMENT KITS

IMG normally processes Application Forms within 24 hours of receipt. Once processing is complete, IMG will mail a fulfillment kit to the mailing address listed on the Application Form. The fulfillment kit will include an IMG Identification Card, IMG contact numbers, Claim Forms and your insurance certificate providing a complete description of your rights and benefits under the contract. *Please note: If you require express mail delivery, there is an additional charge listed on the Application Form.*

ONLINE FULFILLMENT KIT

For your convenience, you may choose to download your fulfillment kit from the IMG website rather than having it mailed to you. To do this, you must check the appropriate box listed in Section 2 of the Application Form. We **must** have your correct email address to complete this process. Once IMG has received and processed your Application Form, you will receive an email from IMG that contains all of the hyperlinks to easily obtain the fulfillment information through the Internet.

CLAIMS PROCEDURE

PRECERTIFICATION

Each proposed hospital admission, in-patient or out-patient surgery, and other procedures as noted in the Certificate Wording must be Precertified for medical necessity, which means the insured person or their attending physician must call the number listed on the IMG Identification Card **prior** to admittance to a hospital or performance of a surgery. In case of an Emergency Admission, the Precertification call must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not Precertified, eligible claims and expenses will be reduced by 50%. It is important to note that Precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All eligible medical expenses must meet usual, reasonable, and customary guidelines. Please refer to the Certificate Wording for full details of the Precertification requirements.

For Precertification, emergency evacuation, and return of mortal remains, please call: IMG in the U.S.: 1.800.628.4664 (toll free) or 1.317.655.4500. Call IMG outside the U.S.: 001.317.655.4500 (collect if necessary). This information will also be provided on your ID card.

Note: An insured person may begin the Precertification process through MyIMG or the Client Resources section of our website, www.imgglobal.com. Simply look for the Precertification option. You will be asked to provide the required information, which can then be submitted electronically to IMG. Once we have confirmed receipt of your request, our utilization management and review team will review the information provided and respond to the insured person or the provider within two business days. Please note that this online service will only initiate the Precertification process, and it should not be used to Precertify emergency admissions, procedures, or evacuations.

CLAIM PAYMENT

All benefits payable under Patriot Travel Medical Insurance are subject to the provisions described in this brochure and as contained in the Certificate Wording and certificate of coverage. To make claim processing efficient, claims may be paid in two ways:

- 1) Eligible claims that have been paid by or on behalf of the Insured Person will be reimbursed by check directly to the Insured Person.
- 2) Eligible claims that have not yet been paid by the Insured Person will, at the option of IMG, be paid either to the Insured Person or directly to the provider.

Please mail completed claim forms to International Medical Group, P.O. Box 88500, Indianapolis, IN 46208-0500 USA. All IMG contact numbers, claim forms and Certificate Wordings will be included in the fulfillment kit. IMG may also be contacted by fax: 1.317.655.4505 or email: insurance@imglobal.com.

Natural Disaster is defined as widespread disruption of human lives by disasters such as flood, drought, tidal wave, fire, hurricane, earthquake, windstorm, or other storm, landslide, or other natural catastrophe or event resulting in migration of the population for its safety.

TRIP INTERRUPTION:

If, during a covered trip, there is a death of an immediate family member (spouse, child, parent or sibling), a break-in at the insured's principal residence, or the substantial destruction of the insured's principal residence due to a fire or natural disaster, each Patriot plan will pay to return the insured to the area of principal residence. The plan will pay for a one way air or ground transportation ticket of the same class as the unused travel ticket, less the value of the unused return ticket.

TERRORISM COVERAGE:

Each Patriot plan provides coverage for injuries and illness incurred as a result of an act of Terrorism, limited in amount and by circumstances. If an insured person is injured as a result of an act of Terrorism, and the insured person has no direct or indirect participation in the act, the plan will reimburse eligible medical claims subject to a \$50,000 lifetime maximum. However, claims incurred as a result of radiological, nuclear, chemical or biological weapons or events are not covered.

Terrorism is defined as the systematic or planned use of violence, fear, or threat of violence in order to intimidate a population or government, especially as a means of coercion or to obtain a granting of any demand. However, this benefit does not cover an act of Terrorism in any country or location where the United States government has issued a travel advisory that has been in effect within the six months prior to the insured person's date of arrival.

This benefit also does not cover an act of Terrorism in the event that an advisory to leave a certain country or location is issued by the United States government after the insured person's arrival date, and the insured person unreasonably fails or refuses to depart the country or location.

IDENTITY THEFT ASSISTANCE:

If an imposter obtains key personal information such as a Social Security or Driver's License number, or other method of identifying an insured person in order to impersonate or obtain credit, merchandise or services in the insured person's name, the Patriot plans will provide coverage for the reasonable, customary and necessary costs incurred by the insured for: re-filing a loan or other credit application that is rejected solely as a result of the stolen identity event; notarization of legal documents, long distance telephone calls, and postage that has resulted solely as a result of reporting, amending and/or rectifying records as a result of the stolen identity event; up to three credit reports obtained within one year of the insured person's knowledge of the stolen identity event; and stop payment orders placed on missing or unauthorized checks as a result of the stolen identity event.

The identity theft event must occur during the Period of Coverage and must be reported within six months of the termination of coverage date.

LOST LUGGAGE:

This benefit will be paid in the event that the Common Carrier permanently loses an insured person's checked luggage. This coverage is secondary to any other available coverage, including the Carrier's.
